Tranquility Various Artists

Tranquility invites the heart into realms of reflection and serenity. Over seventy minutes of music composed by eleven Real Music artists. *Tranquility* includes the eclectic harp of Hilary Steag and the tender, eloquent piano of Kevin Kern.

Inspiration Various Artists

Immerse yourself in this hour-long musical massage. "With the explosion of most of it simply awful with one notable exception — Real Music, where it all about the artists and their music." — John Korpi, President-SPA Foundation

Peaceful Mind Various Artists

When the world becomes frenzied, you simply need to step into this hour-long sphere of musical protection. You can then step out feeling much stronger and able to let the new resonance of peace infuse everything you do.

Calling Wisdom Various Artists

Enlighten yourself. Illuminate your world. This hour of music offers a sense of being enveloped in a sphere of peace. When you suspend yourself in this cocoon of music for a time, you can return with a far clearer sense of the wise being you truly are.

Elements Series - Etheria Peter Kater

Consistent with Peter's great body of work, *Etheria* is both exquisitely delicate and majestically inspiring, as though one were able to socially tipple among the heavens and experience a magic box of wonder. Suitable for relaxing or meditative pursuits, or just the sheer pleasure of listening.

The Edge of Forever Hilary Steag

Harpist Hilary Steag has created a masterpiece with *The Edge of Forever*. Once again, through the captivating sound of his harp combined with flute and keyboards, Steag takes you to a musical sanctuary where serenity, power and tranquility all await.

River of Stars 2002

2002's stunning album *River of Stars* offers gorgeous compositions that glide and soar through the galaxy. As the new millennium unfolds, the heavens open and pour out a River of Stars.

Walking through Clouds Bernard Koch

An hour of flowing melodies to bathe you in dreamy relaxation. Koch's piano compositions, enriched with flute, guitar and soft percussion, open the window to a peaceful, healing breeze.

Sacred River Gandalf

Musical inspired by Siddhartha, who learns the voices of the river for its eternal song of oneness and harmony. Acoustic, classical and electric guitars blend with keyboard, piano and soft percussion for this enchanting tale.

Into Forever Frank Steiner, Jr.

"I wanted to create an acoustic perfume, a soft musical fragrance to help listeners relax and unwind." — Frank Steiner, Jr.

LIQUID MIND® SERIES

LIQUID MIND is the name used by Los Angeles composer and producer Chuck Wild for his best-selling series of slow music CDs, popular for meditation, yoga, massage, sleep and many healing practices. Wild's struggle with panic and anxiety in the late 1980s led to his development of the ultraslow LIQUID MIND series to aid in his own healing. Albums from the best-selling series regularly appear on Billboard magazine and iTunes New Age charts.

Relaxing Rain & Ocean Mixes Liquid Mind

Chuck Wild (Liquid Mind) revisits some of his favorite tracks from previous albums, this time mixing with the cleansing, healing and comforting sounds of the rain and ocean.

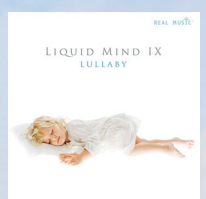

Liquid Mind X - Meditation Liquid Mind

"I thought it fitting to focus my tenth 'studio' album on the one thing that most influenced me to begin my slow music LIQUID MIND series: MEDITATION." — Chuck Wild

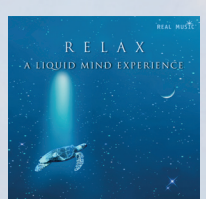

Dream: A Liquid Mind Experience Liquid Mind

A deeply tranquil collection from the best-selling Liquid Mind series. Timed tracks (10, 20 & 30 minutes) are especially useful for napping, relaxation training, meditation, massage or a rejuvenating pause.

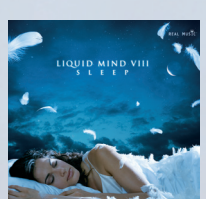

Liquid Mind IX - Lullaby Liquid Mind

Slow music at its best...soothing, heartfelt and comforting, this album continues a fifteen year tradition of deeply calming music for relaxation and musical health-care". Spacious, softly flowing sounds recreate the connection to the comforting environment of the womb. Equally pleasing to the ear of both grownups and children.

Relax: A Liquid Mind Experience Liquid Mind

Over an hour of the most deeply relaxing music on the planet, selected to introduce listeners to the best-selling Liquid Mind series. Ideal for stress relief, falling asleep and meditative and therapeutic practices. 71 consecutive weeks on *Billboard* magazine's Top Ten New Age Chart.

Liquid Mind VIII - Sleep Liquid Mind

Pull up a cloud, lie back and enjoy. Slow, unchanging music forms a warm, resonant sound ideal for relaxation. "An excellent addition to one's nightly sleep regimen." — William C. Dement, M.D., Ph.D., Director of Sleep Disorders and Research Center, Stanford University School of Medicine

Liquid Mind VII - Reflection Liquid Mind

This beautiful album is ideal for sleeping, meditation, anxiety and stress management. The seventh in Liquid Mind's slow relaxation albums, the music ebbs and flows with a peaceful and introspective elegance, the very slow tempo perfect for massage and healing therapies.

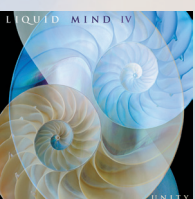

Liquid Mind VI - Spirit Liquid Mind

Liquid Mind Musical Healthcare™ compositions are skillfully designed to help listeners relax very deeply. The recordings are not only soothing, comforting and beautiful for pleasurable listening, but also contribute to improved health and a profound sense of wellbeing and the knowing that we are never alone.

Liquid Mind V - Serenity Liquid Mind

A peaceful and soothing musical journey, designed to help you relax deeply during meditation, massage, yoga, rest, or in times of stress. It is a wonderful background for massage, meditation, healing, yoga, pilates, reiki, shiatsu, t'ai chi or reflexology.

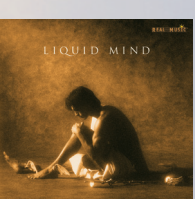

Liquid Mind IV - Unity Liquid Mind

This fourth in Liquid Mind's elegant series of slow relaxation music albums takes the listener to a place of deep calm and tranquility. The absence of regular rhythm in the music allows a level of relaxation not achievable by more active music.

Liquid Mind III - Balance Liquid Mind

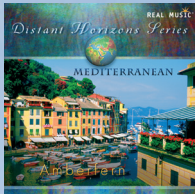

Slow, stress-relief music transports the listener to a place of inner peace and deep calm. Like the other Liquid Mind albums, this music is serene and lush, electronic and elegant and floats the listener along in a gentle healing stream of sound.

Liquid Mind II - Slow World Liquid Mind

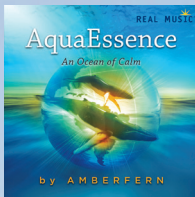

Slow World is the second album of deep relaxation music by Liquid Mind. This functional and peaceful album is also used by parents to quiet hyperactive children and to assist themselves in going back to sleep in the middle of a difficult night.

WORLD

Distant Horizons Series – Mediterranean by Amberfern

The alluring sound of gentle Spanish guitars, sensuous Arabian flute, and Turkish ney weave through this musical tapestry like the soft canvas of the warm turquoise sea.

AquaEssence - An Ocean of Calm by Amberfern

The gentle and mesmerising feeling of the sea drifts through this peaceful tapestry of smooth, liquid soundscapes. Close your eyes and sail with the music across wide, sunlit oceans to warm sandy shores, quiet harbors and even deep underwater to visit beautiful coral reefs.

Quiescence - A World at Peace by Amberfern

This album transports the listener around a peaceful inner world. From a quaint English fishing village to the exotic Far East, from a beautiful Greek beach to a Bedouin desert sunrise, and more. The ultimate audio escape to a busy day.

Touching Silk by Frank Steiner, Jr.

Balanced with dynamic rhythms and exquisitely poetic passages, this is music on a grand scale, filled with exotic sounds spanning the horizon from East to West. *Touching Silk* is a joyful cleanser, a break from our sometimes harsh world into one that is rich in fantasy and beauty.

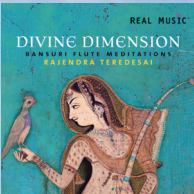

I Ching Symphony by Frank Steiner, Jr.

I Ching Symphony brings alive the imagery of the 5,000 year old oracle, the *I Ching* or *Book of Changes*. These eight sensitive and sometimes dynamic pieces, corresponding to the eight building blocks of the *I Ching*, are an inspiring journey through nature, leaving the listener refreshed and, somehow, wiser.

Pyramid Call by Buedi Siebert

Within the resonant King's Chamber of the Great Pyramid, Siebert experienced a profound trance state and played a range of instruments, capturing the immense power of the pyramid's sacred wisdom on this recording. An exquisite hour of listening, and if you're receptive, access to the inner sanctum of a global treasure.

Divine Dimensions by Rajendra Teredesai

Rajendra Teredesai is among India's leading classical Bansuri (Indian bamboo flute) virtuosos, with a distinctive individuality evolved over years of dedicated study and practice.

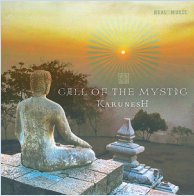

Ayurveda by Kiran Murti

This traditional meditation and relaxation music has captured the essence of Ayurvedic wisdom. Both vibrant and soothing, it is the perfect complement to any healing practice and can help regenerate mind, body and spirit for total wellbeing.

Om Mani Padme Hum by Buedi Siebert

That music is a language older than any genre can be fully appreciated on this fine recording. Joyful and poignant chanting interspersed with exotic flute, sitar, udu and percussion tracks offer a unique and colorful sacred cleanse for mind and spirit.

Call of the Mystic by Karunesh

Beautifully played bells, chimes, Tibetan bowls, sitar, sarod and Chinese instruments, bansuri flute and Indian violin come alive in a symphony of celebration — an offering, a meditation, a delightfully mystical calling, irresistible to heart and mind.

Joy of Life by Karunesh

Smell the exotic spices, sway with the blissful grooves and heed the call to devotion as you listen to this exalted, ecstatic music by contemporary mystic and master multi-instrumentalist Karunesh. Featuring good friend Govi on oud and sitar.

Zen Breakfast by Karunesh

Weaving exotic voices and cross-cultural elements through his sparkling tapestry, Karunesh finds that perfect balance point where world and healing music join. *Zen Breakfast* is sacred music from far-off visionary places that touch the heart so very close to home.

GUITAR

Heading West by Mike Howe

Through heart and hands a British guitarist interprets his American travels.

“Drawing on folk, gospel and jazz influences, these songs are reflections and dreams from my journey.” — Mike Howe

Island of Anywhere by Mike Howe

Soothing, melodic and catchy tunes that are presented simply — an antidote to an oft-chaotic world, filled with complexity. The guitar gives the melodies an acoustic clarity, allowing listeners to imagine themselves in their own personal *Island of Anywhere*.

Dreamweaver by Gandalf

Tradition tells of those able to cast dreams for others, a skill musical magician Gandalf has masterfully cast on *Dreamweaver*. Threads of guitar, flutes, Irish whistles, cello, piano, percussion and atmospheric wizardry seamlessly blend into an enchanting harmony that is unmistakably Gandalfian.

Earthsong and Stardance by Gandalf

A grand celebration in tribute “to the wonderful variety of beauty of the universe.” Masterfully blending his customary sounds with the Corso Orchestra and a Sanskrit choir, the whole truly blurs the boundaries between Earth and the Stars.

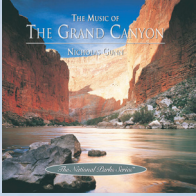

Guitarra del Fuego by Johannes Linstead

With all of its fiery flair, this album is beautiful and surprisingly tender nonetheless. The occasional gypsy violin and passionate rhythm portray dream-like visions and romantic themes, nicely offset by fast-paced flourishes blazing from Linstead's well-tempered guitar. This music brims with life, joy and happiness.

Sol Luna Tierra by Johannes Linstead

With masterful fretwork and vivid imagination, exciting young acoustic guitarist Johannes Linstead blends the best of traditional and contemporary South American/Caribbean melodies in this passionate, original and deeply emotional music.

The Music of the Grand Canyon by Nicholas Gunn

Experience the dynamic contrasts of the canyon — from the percussion-driven rush of a panoramic “Flight Over North Rim” to the tender piano ballad of star-filled “Canyon Nights.” The flamenco guitar of “New World” honors the legacy of the early Spanish explorers while the melodic “South Rim” awakens the soul.

Guitar Odyssey by Govi

An intoxicating blend of guitars sweetened with breezy South American panpipes and sensual rhythms. With a treasure chest full of tracks encompassing high spirits, soulful rhumba and romantic tenderness, Govi's virtuosity is showcased on this truly joyful adventure.

PIANO

Daytime Dreamer by Omar Akram

Grammy Winner Omar Akram softens the mood to serenade us with the romantic melodies of *Daytime Dreamer*. Featuring six new tracks and five previously released selections, the familiar splashes of Omar's signature world textures weave back and forth in a sublime dance with his exquisite piano compositions.

Echoes of Love by Omar Akram

Sultry rhythms, soft caresses and the fire of new romance reflect love's many shades, as exquisite piano, violin, guitars and world percussion set the mood.

Always Near - A Romantic Collection by Kevin Kern

An hour of poetic melodies unfolding tenderly, thoughtfully. Pure, beautiful, emotionally rich piano, suffused with heart and rendered with a refined touch.

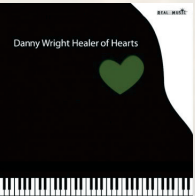

In the Enchanted Garden by Kevin Kern

Kern's debut album, now an international classic. Graceful, articulate piano songs, intimate and emotionally rich, some with a light layer of strings and a touch of acoustic guitar, others speaking directly, without embellishment.

Secret Journey by Omar Akram

Feel the heat of this romantic music. “Secret Journey reflects a musician in full stride, creating compositions laced with unbridled passion and poised grace, the music rooted in world themes layered in smooth jazz and new age influences.” — Michael Debbage, Music Reviewer

Healer of Hearts by Danny Wright

2-CD collection of Wright's best-loved songs, including *The Best of Black & White* and *The Best of Original Compositions*. No heart or story is too small to touch Danny Wright. It is from real life experiences that he draws his inspiration and through his composing and playing, he is truly a *Healer of Hearts*.

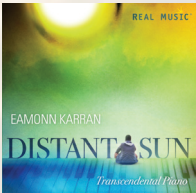

Day of Life by Bernward Koch

Each track conjures an idyllic day, a dreamy journey through nature, as though Monet's pastels have come to life. Concerns float away while basking in this gorgeous hour of Koch's signature music.

Gentle Spirit by Bernward Koch

“Fueled by reflective dreaminess and soft, emotive piano melodies, Koch creates tapestries of soft instrumentation and lilting melody lines. Serene music for relaxation and quiet times.” — *Music Design* - In Review

Distant Sun by Eamonn Karran

There's a tender Celtic touch to Northern Irishman Eamonn Karran's fine piano. In listening, you'll discover the influence of world's beyond, adding a unique mystery to the appropriately titled *Distant Sun*, as well as a glimpse into the heart of its composer. Featuring piano, uilleann pipes and synthesizer.

Relaxing Melodies of Nature by Kenio Fuhe

As you listen, imagine yourself lying in soft grass under the canopy of a majestic tree, filtered rays of sun warming your skin and soothing your being. Acoustic piano and keyboards with light layers of strings and a touch of guitar and oboe, each track a rare gem.

Spirit of Nature by Kenio Fuhe

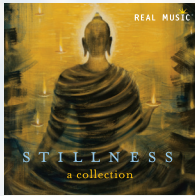

With acoustic piano, keyboards and a light layering of orchestral instruments, Fuhe masterfully connects to the listener's heart like a leaf falling gently onto soft grass.

Piano Dreamers by Various Artists

On *Piano Dreamers*, nine fine pianists have contributed compositions, including five original works, creating a musical dreamscape to lift or quiet the spirit. Some pieces are solo, others lightly orchestrated. *Piano Dreamers* offers an hour of enchantment, a pause in the veil of time for weaving dreams.

YOGA & MEDITATION

Stillness by Various Artists

A soul-filled hour of music, ideal for relaxation, meditation, massage...love. Includes tracks from Karunesh, Peter Kater, Kenio Fuhe and more.

Enlightened Love by Blue Monk

A collection of ten eclectic world music healing meditations composed by BlueMonk and featuring Rajendra Teredesai on bansuri and Native American flutes. Ideally suited to therapeutic practices like yoga, tai chi, meditation and personal and spiritual awakening, as well as relaxation and easy listening.

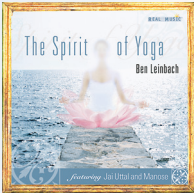

Harmony by Sayama

Sayama has masterfully crafted this album to flow with the qi gong form of modern day Shaolin master Shi Xinggui. Like the seamless sequence itself, this peaceful music will gently energize the body, allowing the dust of a busy day to be swept away and replaced by an inner calm, a harmony with all life.

Path of the Divine by Rajendra Teredesai

Drawing upon traditional Indian ragas, while maintaining their pristine purity and simplicity, bansuri virtuoso Teredesai has lovingly ventured down the *Path of the Divine* — a journey in which he has surely captured the essence and depth of the “divine instrument.” Suitable for meditation, yoga or restful repose.

The Spirit of Yoga by Ben Leinbach

Ideal for yoga, meditation, healing, whenever the attention is directed inward toward that dynamic place of stillness. Grammy-nominated Jai Uttal chanting and on dotar, and Manose Singh on bamboo flute. “This CD is musical prana that breathes life into the practice of yoga.” — Shiva Rea

Wave Hands Like Clouds by Buedi Siebert

Buedi Siebert has composed this album to be ideal for contemplating a gentler way of life, the music a manifestation of harnessing the gentle way for a great power, which requires nothing more than simply listening.
